## CERTIFICATE OF APPRECIATION

This is to certify that **Ms. Aastha Shukla** has designed, developed and hosted the website ([www.flookup.com](http://www.flookup.com)) for our Organization: **Finance Lookup Advisors** having its office at 702(L), Hubtown Solaris, Andheri East, Mumbai – 400069.

I would like to appreciate all the hard work that she has put in to get the website in place. She burnt the mid night fuel and modified the website any number of times as per our request. Her suggestions have been very fruitful for the Company and the website which is in place today is her idea and I would like to personally thank her for all the enthusiasm and interest she took in making our website live. She did extensive research and knows her subject well, she made all efforts to deliver above our expectations.

I would certainly recommend her wherever I can and will be more than happy to endorse this letter of appreciation.

We wish her all the very best for her future endeavors and good luck with her academics.
